M.J. BALE

The Upswing

SPRING-SUMMER 2020

LOOKBOOK

"Begin at once to live, and count each separate day as a separate life." – Seneca

Here at M.J. Bale, our enthusiasm is rising with the temperature, as we spy six months ahead of sun, sand and ocean. Like the spring stoics we've become, we're desiring only the things in our control, letting go of what's not, and staying in the moment to appreciate all the natural gifts this Great Southern Land has to offer.

Our Spring-Summer 20 collection is likewise designed to help you enjoy the everyday moments, getting you dressed up and back in the swing of things – whatever form that takes.
